North doorway, pilaster strips, NE quoin

Fisher

Nave walls - period C

Taylor

Ground plan probably similar to original church.

Anglo-Saxon doorway at W end of nave, jambs upright-and-flat. Round-head of segmented stones. Neither jambs nor arch-head have through stones. No imposts. Semicircular trapezoidal section strip around arch-head only.

Exterior N and S walls near E end have long-and-short pilaster-strip.

Nave NE quoin visible, irregular upright-and-flat
