Cross-shafts in churchyard

Grid ref ..... SE 11? 47?
---------------------------

---

Three cross-shaft fragments

1. Upper part of tall cross panels containing Anglian beasts and human figure holding a book.

Date: before 800.

2. Panel containing two naked human figures, probably Adam and Eve, with trees and serpent between them. Two panels with grotesque Anglian beasts. Panel with part of tree with birds on boughs. Panel with entangled monster. Narrow sides have scroll of stems with leaves and fruits. Shaft has been used as gatepost for churchyard.

Date: c. 800-850.

3. Figures meant for four evangelists. Christ enthroned with palm branch. Three panels of beasts. Narrow sides filled with tree scrolls.

After 850
